

International Business Consulting (IBC)

The MBA "International Business Consulting" (IBC) is a compact, hands-on, international full-time program preparing you in only 15 months for a leading position in Inhouse Consulting (e.g. in the fields of Controlling, Project Management) as well as in External Consulting.

The characteristics of our MBA are small groups (about 20 students) to guarantee an individualized attention, personal counselling to meet your career aspirations and a highly interactive environment to facilitate maximum sharing of knowledge and experience.

A confirmation for our program was given by the QS Global Business Schools Report 2012 and 2013: The IBC program was ranked in the field of Emerging Regional Business Schools.
